Dear George Davison Families,

I wanted to share with you that I will be moving on from my role as the Family School Liaison Worker at George Davison as I begin a new professional opportunity.

This decision has not been an easy one, as my time at this school has meant more to me than words can truly express. I have genuinely loved being part of this school community and have been so fortunate to build relationships with our incredible students, families, staff, and community members.

I feel incredibly grateful for the experiences, connections, and memories I will carry with me. I have learned so much along the way, both professionally and personally, and I cannot thank our families enough for the trust you have placed in me. It has been a privilege to walk alongside you, support your children, and celebrate their successes.

Thank you for welcoming me, trusting me, teaching me, and allowing me to be part of your lives. It has truly been an honour and a privilege.

Warmly,

Ms. Brittany
Family School Liaison Worker
